"We're Pulling for You"

LIVE HISTORY DAY AT THE I-FARM

Our first large event of the year is fast approaching! Live History Day is Saturday June 21st at the I-FARM so get your pull sheets now (sent out in May Newsletter). Gates open to the Public at 9am so please have your tractors at the track no later than 8:30am

Parade of Power begins at 9:30am. Boyd Harms is arranging a Pedal Power parade at the end of the Parade of Power. It will most likely be on or near the lawn where the Tractor Display is. Pedal Tractors may be displayed on the lawn with our Large Tractor Display. Bring out a Pedal Tractor and your favorite young tractor enthusiast!

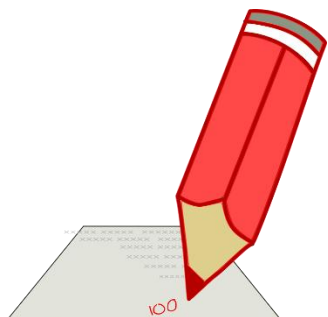

Tractors may be displayed on the lawn at no cost. Please have any display tractors in place by 8:30am the day of the event. They may be dropped off the afternoon prior (Friday the 19th). Information and/or educational material about your tractor(s) are appreciated and encouraged. There always tends to be a little breeze so make sure anything you bring can be secured. Other items related to Antique Power or Agriculture may also be displayed.

We could use a volunteer or two to man the display area during the pull. Reach out to our President if you would like to fill this role and we can make sure you get any materials you might need.

SCHEDULE CORRECTION:

On our Schedule for the year please note Jim Grisenti is the Pull chair for the Minidoka Tractor pull. His phone is 208-260-2935. Gary Fisk is a co-chair for that pull as well.

I-FARM Clean-Up

Huge Thank You everyone who came out and helped clean up at the I-FARM last Saturday. Delbert Harmon, Al Barkel, Rodney Schmitt, the Bolichs', and Al Lockwood. We couldn't do what we do without your assistance. Sleds were double checked for readiness for the season and the Water Tank was prepped. Special Thanks to Jim & Lyndsey Brown for spraying weeds.
