## Snippets from EDGE&TA National

Information you should know:

- Southwest Region Director Ron Hanson has opted not to run for another term. Thank you, Ron, for your years of serving on the Board.
- EDGE&TA's Facebook site is growing. Check it out. A big Thanks to Glynna Fenske for the countless hours of effort she puts in to make this site a success.
- Six members were entered into the EDGE&TA Hall of Fame at the National Meeting. It's time to consider who in your Branch could be eligible for this honor in 2027. Applications close in early 2027 and are available on the EDGE&TA webpage (see below)
- Unbelievably, the 2027 National Show is only about 9 months away. Branch 19 will host it in Farmington, New Mexico, on June 10th-12th. 2027
- NW Regional Show. Branch 15 will host the 2027 NW Regional Show in Brooks, Oregon. Thank you to President Steve and the Branch 15 team for taking on this task.
- Tractor Pull Rules: The Board is currently revising the Tractor Pull Rules. Stay informed by checking with your Regional Director and visiting the website.
- Safety, Finances, and Dues. Thank you, everyone, for another safe year with no accidents. This absolutely helps keep our insurance rates as low as possible. That said, we are in good financial shape and can keep member dues the same next year, as they have been for the last few years: $20 per member for National dues for the 2027-2028 year, starting April 15th, 2027.
