"We're Pulling for You"

Volunteers Needed

With the heart of the pulling season over, we are turning our attention to planning for next year. There will be several opportunities for people to help with pulls and to serve on our board of directors. Please consider stepping up! Many hands make light work. We will be looking for the following board volunteer positions:

Vice President - (assists the president and fill in when the President is unavailable)

Secretary - Submits necessary club documents to EDGE&TA national, takes meeting notes, tracks membership, and conducts correspondence.

Board of Directors (1 position) - Helps review scholarship applications and votes on board decisions.

Pull Chair - Live History Day & Jerome County Fair. Can be done individually or in pairs. Receive registrations and create pull sheets, ensure sleds and pull-back tractors are available for pull, submit pull results for publication.

If you can step up and help out, please do! Not sure how to do a position, but willing? We can train you. Nomination forms are available! Remember, we are a volunteer-based organization, and we can't do what we do without everyone pitching in.
