Show ‘n’ Tell

Shared at February’s Meeting were two wrenches brought by Paul Borges. One dated 1840 and the other was a unique adjustable wrench with no date. Jack Duchow shared a scaled model of a John Deere Buck Wagon, Rodney Bolich’s Farnall thanked Cassie Duchow for putting a picture of his Farnall in *Antique Power Magazine*. She submitted it for their 2024 calendar contest. While the picture wasn’t selected for the calendar, it was published in the March/April edition of the Magazine’s ‘Tractor Show’ feature (pg. 79). They sent her a neat magnet that says, “This tractor appeared in *Antique Power Magazine*.” which she gave to Rodney.
