Stars, Stripes and Stampedes: Twin Falls County Fair Display

Thanks to all the club members who came out for our annual static display. We appreciate those who manned the booth, talked to the public, and shared their machines and other antiques. We also adjusted our boundaries a bit so the fire lane would be in the correct, logical spot. If you thought our booth looked a little different this year, that's probably why.

Dave Jensen brought hanging lights we could string up and plug in (side note: the club should consider purchasing an RV plug adapter for future years). The tractors looked especially pretty in the evening under the glow of the lights.

"Best in Show" winner was Todd Heath, with his 1936 John Deere D. Todd did an amazing job engaging with the public and showing off his tractor. I understand that he and Boyd Harms can really draw a crowd when they take turns firing up their machines!

Next year, the Twin Falls County Fair will fall entirely in September again. We're already thinking of ways to offer hands-on opportunities for folks, maximize our space for tractor displays, and perhaps create some free-standing sign holders for tractor information.

Elections!

If you would like to run for a position or would like to nominate someone for a position, please let Kevin Duchow or Dave Jensen know as soon as possible. We are looking to fill our **Treasurer's** position this year. The Treasurer maintains financial records, pays bills, and provides a monthly report on account balances and transactions.

A vintage red tractor is shown from a side profile, driving through a field of golden wheat. The tractor is kicking up a cloud of dust behind it. In the background, there is a barn and a silo under a bright, hazy sky. The entire scene is framed by a decorative border of wheat stalks and a star at the bottom.
